THE CONFERRING OF DEGREES IN COURSE

THE ALMA MATER

Reared against the eastern sky
Proudly there on hilltop high,
Far above the lake so blue
Stands old Howard firm and true.
There she stands for truth and right,
Sending forth her rays of light,
Clad in robes of majesty;
O Howard, we sing of thee.

Be thou still our guide and stay,
Leading us from day to day;
Make us true and leal and strong,
Ever bold to battle wrong.

When from thee we've gone away,
May we strive for thee each day
As we sail life's rugged sea,
O Howard, we'll sing of thee.

— Words, J.H. Brooks, '16

— Music, F.D. Malone, '16

THE CONFERRING OF DEGREES IN COURSE

The order of presentation of Schools and Colleges for the conferring of degrees is based on two factors—the year of establishment of the School or College and the distinction between graduate/professional and undergraduate programs. The first six Schools and Colleges, beginning with the College of Arts and Sciences and ending with the College of Nursing and Allied Health Sciences, were established between the years 1868 to 1974. Undergraduate programs are predominant in these six Schools and Colleges. The next six Schools and Colleges, beginning with the College of Medicine and ending with the School of Social Work, were established between the years 1868 and 1945. These Schools and Colleges offer professional graduate level programs. The last School listed, the Graduate School, was established in 1934 and offers graduate-level programs exclusively.

The appearance of a name in this Program is presumptive evidence of graduation, but it must not in any sense be regarded as conclusive. The diploma of the University, signed and sealed by its proper officers, remains the official testimony of the possession of the degree. A single asterisk () following a name denotes a posthumous degree candidate. A double asterisk (**) following a name denotes a dual degree graduate.*

THE PLEDGE

I am a graduate of Howard University.
I am the bearer of the flame
of a Howard University education that has brought
light to many generations.

It is through the indelible love
and support of my family,
and the courage and sacrifices of my ancestors
that I am here today.

I accept the historic trust of their gifts
and pledge to lift others who come after me.

Howard University is my home.
No matter how far I travel from her,
no matter how long I am absent from her,
Howard University is always here for me.
I am defined by the privilege of a Howard University education.
I cannot fail in life; leadership, service, and the search for truth
and right will light my way.
My potential contributions to humankind are unlimited,
and I will give them freely and in abundance.

I am a Howard University graduate.
The opportunity of the Howard University experience
has conveyed to me a responsibility
to assure the strength of this great University.
It is only through my support that the Capstone
can remain strong and focused.
I pledge support and understand
that it is not a matter of choice, but one of responsibility.
I will never forget that responsibility.

I am a graduate of Howard University!

THE MACE

THE MACE is the ceremonial symbol of the University and is carried by the University Marshal. One of the earliest visual images of the mace is the front-side of the “Narmer Palette” of Ancient Egypt, an oval-shaped cosmetic palette inscribed with human and anthropomorphic figures. King Narmer is depicted on the palette as a mighty conqueror wielding a mace over a symbolic enemy. King Narmer, also known as King Menes or King Midas to the ancient Greeks, unified Upper and Lower Egypt *circa* 3100 B.C., ushering in the great pyramid building of the old kingdom dynasties (c. 3000-2150 B.C.) of Imperial Egypt. The entry of the mace heralds the arrival of the academic procession.

THE BATON

THE BATON carried by the Marshals and Assistant Marshals of each School is used to lead the academic procession of the respective Schools and Colleges into and out of the place of the ceremony. The batons are made of wood, painted blue, and tied with red, white and blue ribbons denoting the colors of Howard University.

THE ACADEMIC DRESS

THE CAP, GOWN, AND HOOD worn at college and university functions date back to the Middle Ages. Monks and students used them to keep warm in medieval castles and halls of learning. From these practical origins, they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves, pointed at the fingertips. These gowns may be worn either open or closed.

The Master’s degree gown is worn open, and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Gowns for the Doctorate degree are also worn open. They carry broad, velvet panels down the front, and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree.

Mortar board or caps worn with Baccalaureate and Master’s gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The blue Kente stole worn by the graduates was commissioned for the 1996 Commencement by the University and produced in Ghana. The stole depicts the Nkasewa pattern, which means eloquence, wisdom, and intelligence, and the symbol, Fi-Hankra, means safety, security, brotherhood, and solidarity.

Faculty members and guests are robed in gowns and hoods which represent the institutions from which they have received degrees.

The hood gives color and real meaning to the academic costume. Its silk lining bears the colors of the institution conferring the degree. The hood is bordered with velvet of prescribed width and color to indicate the field of learning to which the degree pertains as follows: medicine, green; music, pink; nursing, apricot; pharmacy, olive green; public administration, peacock blue; science, gold yellow; social work, citron; theology, scarlet; architecture, blue violet; arts, letters, and humanities, white; business, drab; dentistry, lilac; education, light blue; engineering, orange; fine arts, brown; law, purple; and philosophy, dark blue.

THE HONOR MEDAL AND HONOR CORD

THE HONOR MEDAL and HONOR CORD are worn by graduates who have achieved cumulative grade point averages making them eligible for the *cum laude*, *magna cum laude*, or honors. The Medal and Honor Cord symbolize that excellence is a hallmark of Howard University. The Medal was commissioned by Howard's President *Emeritus*, H. Patrick Swygert, for the 1996 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. The center of the seal asserts the mission of the University –“Truth and Service.” Encircling the seal is the phrase, “Honors Graduate and Leadership for America,” which heralds excellence and the contributions of Howard University to the nation. The silver Honor Cord symbolizes the high academic rank of *magna cum laude*. The gold Honor Cord worn by graduates symbolizes the highest academic rank of *summa cum laude*.

THE TORCH PIN

THE TORCH PIN symbolizes that responsibility and excellence in leadership have been passed down and entrusted to the graduating seniors. It was commissioned by Howard's President *Emeritus*, H. Patrick Swygert, for the 1997 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. Encircling the seal is the phrase, “Howard University — Bearers of the Torch,” which emboldens graduates to go forth in the Howard tradition to serve as beacons of hope and light in their respective communities.

THE UNIVERSITY'S HONORARY DEGREE MEDAL

THE UNIVERSITY'S HONORARY DEGREE MEDAL, worn by the distinguished honorary degree recipients, is formally presented to them at the annual Commencement Dinner held in their honor. These medals commemorate the high esteem and honor bestowed upon them as honorary degree recipients at Howard University's Commencement Convocation.

THE PRESIDENTIAL CHAIN OF OFFICE

THE PRESIDENTIAL CHAIN OF OFFICE, worn by President Wayne A. I. Frederick, was presented to the University on the occasion of the Centennial Celebration in 1967 by the late Trustee *Emeritus*, Herman B. Wells, and his late mother, Mrs. Granville Wells. It is a visible symbol of the Office of the President and has been worn by all presidents of Howard University, since 1967. The basic material of the chain is sterling silver, plated with hard gold. Both the University Seal and the Centennial Seal are appended to the chain.

Lift Every Voice and Sing

Lift every voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the listening skies.

Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered;
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou Who has brought us thus far on the way;
Thou Who has by Thy might, led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee,
Lest our hearts, drunk with the wine of the world, we forget Thee,
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

--- James Weldon Johnson (1900)
